**TRICYCLE RIDE**

**CONDUCTOR**

(Narrator) - Seven year old Amy has just received her favourite birthday present.... a new red tricycle with pretty tassles and blue handlebars.

Wow! Mum has given her permission to take it for a spin, but Amy has been told to stay within the confines of the cul-de-sac.

(Narrator) So she goes outside with mum, who opens the garage door, and there it is, Amy's pride and joy, shiny new and waiting for its first test run.
